Jane Rodriguez 14:20

Hi, John. How is your project going?

John Snow 15:30

Hey, Jane! It has been going great, thank you. I recently attended a webinar about the topic.

Roadmap

Student	Alumni Feedback	Status
Plan for sophomore year • ——— • ——— • ——— • ——— • ———	**Claudia Alves** I suggest also taking up XYZ course as it focuses on several practical aspects in your field **John Smith** Course ABC can also be very helpful considering your field Enter Comments...	Ongoing
Plan for freshman year • ——— • ——— • ——— • ——— • ——— • ———	**Claudia Alves** I recollect taking course XXX and it had helped me a learn a lot! **John Pina** You could also consider course XYZ, since it offers project as well as research options **Jane Rodriguez** Based on your profile, I believe that you should start off with course ABC - I, instead of ABC - II	Complete
